

## Consent and Release for Boarding of Animals

### Compliance with **HB 2063 (2023 Session)**

Though Kingdom Animal Hospital provides quality care and sufficient accommodations for our patients and boarders, we do not provide staffing at all hours. We do not employ on-site personnel between the hours of 6PM and 7AM daily, and between 12-5PM Saturdays, and 9AM-12PM, 2-5PM Sundays. All animals staying at the facility will be left unattended during those times.

As allowed by Texas law, Kingdom Animal Hospital is not equipped with an on-site fire suppression sprinkler system.

I acknowledge that I have received and read the facility's notice on its lack of fire suppression and overnight staffing. I understand and acknowledge that the facility is not equipped with an on-site fire suppression sprinkler system. I further understand and acknowledge that the facility is unstaffed between the hours specified in the notice and that my pet will be left unattended during those times during their boarding or hospitalized stay.

By signing this consent form, I agree to release Kingdom Animal Hospital, its owners, employees and agents from any and all liabilities, claims or expenses arising from my pet's boarding stay, including but not limited to injuries, illnesses or death.

I have read and understood the statements outlined in the notice and in this consent form and release. I voluntarily consent to my pet staying at the facility and acknowledge that I am solely responsible for any consequences that may arise during their stay.
